

CALLING ALL COMMUNITY MEMBERS AND REPRESENTATIVES: HOST A COMMUNITY DAY OF ACTION IN TENDRING!

The Community Safety Partnership are encouraging local community groups in Tendring to plan and host their own Community Day of Action (CDoA), aimed at tackling local issues of concern.

The CDoA builds upon the success of Street Action Days that have been held throughout the District on a monthly basis. These days bring together a wide range of partners who take to the streets to raise awareness of pressing local community safety issues as identified by the residents and conduct practical needs assessments to ensure support is given to those in the community that require it.

Successful CDoA applications empower community leaders in Tendring to make a difference to the communities they serve. So whether you feel that your area needs to address issues related to crime, ASB or improve the quality of life for those within the community, a CDoA could be the start of addressing these issues and hopefully leave a long-lasting legacy in your area.

What does a legacy look like?

We would like to ensure that the CDoA leave behind a positive impact on the community we are working for. Whether that is an area looked after by members of the community, community tidy days, Neighbourhood Watch schemes or local groups that can continue the great work started on the day - it's entirely up to you! The CDoA shouldn't be seen as a one off, but as a springboard to launch events that support the community and build upon the work carried out on the day.

Application:

To make a successful application, groups will need to provide detailed information on the issues that they would like to be addressed within their community, details of their community group or volunteers and the legacy that will remain following the Community Day of Action.

Priority will be given to those applications which can demonstrate they will be working towards the Community Safety Partnerships priorities for 2018/19;

- Tackling anti-social behaviour and acquisitive crime
- Protecting vulnerable people from hidden harm
- Reducing violence and knife crime

After the closing date, all applications will be reviewed by a panel made up from the Responsible Authorities Group (RAG) and a decision will be made on the successful application.

A Community Day of Action will then take place in the successful community later in the year. The Tendring Community Safety Partnership will be on hand to support community members in taking responsibility of the project, initiative or scheme that is to be left following a day of action, whilst

outcomes from the day of action will be used to determine and support what further action is required, then allocating resources appropriately.

Successful applicants will also be able to apply to the Community Safety Partnership for up to £2000 to support their CDoA and ongoing legacy, subject to a further decision making panel.

CDoA Application Timetable:

| | |
|---|-----------------------|
| Bidding process; public can submit applications: | 01/11/18 |
| Closing date for bids to be submitted: | 31/01/2019 |
| Judging and notification of successful bid: | 15/02/19 |
| Event planning by community members and CSP: | February - May |
| Delivery of event and start of legacy: | May |

TENDRING COMMUNITY DAYS OF ACTION: COMMUNITY BIDDING FORM

| | |
|---|--|
| Name/s of Applicant | |
| Name of Community or Volunteer Group | |
| Name of Community or Volunteer Group Lead | |
| Contact Number(s) | |
| Contact Email (s) | |
| Preferred date of CDoA | |
| Alternative date of CDoA | |
| In order to bid for a Community Day of Action for your area, please ensure you confirm, and provide relevant evidence, that you meet the three criteria listed below (please provide additional information on separate paper and photographs if required): | |
| <p>CRITERIA 1: There is a significant community issue/s to be tackled (consider the CSP priorities) Please provide us with the details of your issue/s, when and where it's occurring, <i>i.e. particular (times/dates/locations/hotspots) and evidence how you feel the community could resolve this issue</i></p> | |

CRITERIA 2: There is a sufficient number of volunteers and/or community representatives available to assist with the planning and hosting of a Community Day of Action

Please provide details of your community or volunteer group, *i.e. what activities you carry out and provide names of all volunteers and/or representatives that are available to support this bid*

CRITERIA 3: There is a community project, initiative or scheme that can be left and there is a part that the volunteers and/or representatives will play in delivering this

Please provide your ideas on a community project, initiative or scheme that can be left in your area following a Community Day of Action and show how your volunteers and/or representatives will be involved in the delivery of this, *i.e. community speed watch, neighbourhood watch, community garden or youth activities*
